We praise and thank the Lord of life for your generous donations. Your gifts enable us to carry out our mission in Michigan churches, schools, and communities, to give witness to the sanctity of all human life, from conception to natural death, based on the Word of God. And they allow us to provide most resources free of charge. Income for 2019 was the highest in the past seven years. Thanks be to the Lord; we have a healthy balance in our account. We welcome your suggestions for more effective ways to inform and educate Lutherans and others regarding all life issues. We will continue to provide financial support to organizations that are providing life supporting services on the front lines, such as pregnancy resource centers, post abortions centers, etc. We would be pleased to discuss aiding and providing seed money to help start a Life Team at your congregation, or to help your Life Team progress to the next step. We would also like to discuss assisting your congregation in hosting a Life Issues event. If you have high school or college students or others with limited resources that would like to attend one of the Lutherans For Life Regional Life Conferences, please contact us, we may be able to help.
